Sponsorship Packages

Tongala Football Netball Club

2025 Summary

Dear Sponsor,

On behalf of the Tongala Football Netball Club, I would like to extend our sincere thanks for your support and interest, as we reflect on another outstanding season and prepare for 2026.

The 2025 season was one of continued success both on and off the field. We had nine teams qualify for finals, including every netball grade, our Reserves football side and our Under 17's football team. Our B Grade, C Grade and C Reserve netball teams all claimed back-to-back premierships, an exceptional achievement and something the club is incredibly proud of. While our Senior football side faced a tough run with injuries, they remained competitive and narrowly missed a finals berth - a positive sign heading into 2026.

Our junior development continues to be one of our strongest aspects. With rapidly growing numbers across all age groups in both football and netball, we successfully introduced an Under 16's football side into the Goulburn Murray competition, ensuring strong player retention and development for the years ahead. This team also enjoyed a finals campaign, winning their first final. To support this growth, the club continues to run Net Set Go, Auskick and our midweek EDNA teams, alongside our new Under 10's football program. Together, these programs strengthen pathways, provide early skill development and ensure the long-term future of football and netball sides.

From a social and financial standpoint, we refined our strategy by running fewer fundraising events but investing more effort. This was extremely successful. The \$10,000 Ball Drop was a standout, attracting wide community interest. Over the past two years, our sponsorship numbers have increased, which is something we do not take for granted.

We know that clubs simply do not thrive without sponsors. Your loyalty, generosity and belief in what TFNC stands for is a massive reason we can continue to deliver strong football and netball programs for players of all ages. We are genuinely thankful for every sponsor who stands with us and warmly welcome those getting involved in 2026. Giving back to the community remains core to who we are. The club continues to support individuals, groups and organisations through donations, volunteer labour and general assistance. As one of the region's key community hubs, we take this responsibility seriously and proudly. Our committee, coaches, volunteers and members — their dedication is the backbone of the club. With so many young families and children involved every week, our future is bright and constantly building. (...Continued next page.)

Looking Ahead

Both our football and netball programs are well positioned heading into the new season.

Recruiting has been extremely successful, with many talented locals returning and strengthening both Senior football and A Grade netball squads. Under Jordan Souter and Abby Pettifer, we have built competitive, exciting lists with renewed energy and confidence. There is a strong sense of momentum around the club.

Off the field, our major strategic focus for the year is our ground lighting upgrade.

We are actively obtaining quotes and pursuing grant opportunities to upgrade our oval lighting to modern standards. This is vital for improving training conditions, supporting our expanding junior programs and enhancing our ability to host quality night activities for the community. Projects like this are only possible with the ongoing support of our members & sponsors. Your contribution whether past, present or future directly helps us to build better facilities, support our volunteers and develop our players. We cannot emphasise enough how much your support means to the club.

Your sponsorship is not just financial assistance. It is an investment in local sport, local families, community connections and the future of Tongala. It is a privilege to serve as President of this club. While the role has its challenges, it is incredibly rewarding and seeing the club move forward makes every effort worthwhile. On behalf of everyone at the Tongala Football Netball Club, thank you for your support, your current partnership, your consideration as a potential sponsor in 2026. We hope you will continue to be part of our journey in the year ahead.

Yours sincerely,
Daniel Cox – PRESIDENT

2026 Sponsorship Packages

Senior Coaches

Jordan Souter Senior Football

As we move into the upcoming season, my key focus areas are strength and perseverance. Our goal is simple, to build a team and a football program that the Tongala community can be proud of. That starts with strong foundations, hard work, and a clear commitment to what we're trying to achieve together.

It's exciting to see a number of local footballers returning to the club, along with the addition of some quality recruits who are keen to buy into our culture. This mix of local talent and fresh energy gives us real belief in what we can achieve this year and beyond.

Our preseason will be intense, focused, and built around bringing the group together. We're placing a strong emphasis on unity, accountability, and preparing ourselves to compete every week. Above all else, I expect our players to live by our club motto "One in, all in." That mindset will define how we train, play, and represent the club.

The ongoing support of our sponsors and supporters is incredibly important to everyone involved. Your commitment allows us to create the environment needed for our players to develop, enjoy their football, and represent Tongala with pride.

On behalf of all senior footballers, thank you for being part of the journey. The group is motivated, united, and determined. We are already firing and ready to put in the work to break the drought.

Senior Coaches

Abby Pettifer A Grade Netball

I am honoured to step into the A Grade coaching role for the 2026 season. Tongala has a proud history of discipline, resilience and community strength and I am committed to upholding and building on these values as we move into an exciting new chapter. With a blend of emerging talent and established senior athletes, our squad is well positioned for growth. My coaching approach places a strong emphasis on positive mindset, accountability, and consistent dedication—the foundations required not only for high-level performance, but for sustained success across the season.

Our focus for 2026 is clear – to elevate our standards, nurture strong on and off court connections and position Tongala at the top end of the competition in all grades.

I bring to the role:

- Experience across competitive and high performance netball environments
- A development driven coaching style supported by clear structures and expectations
- Leadership experience in both premiership and senior level netball settings
- A commitment to athlete wellbeing, positive culture, and mental resilience
- A strategic understanding of the demands and consistency required at A Grade level

I am excited to lead this group with professionalism, purpose, and passion. I look forward to seeing what our athletes, our club, and our wider Tongala community can achieve together in 2026.
